ECO CLUB – “PRASHANT BHOOMI”

Formation of Eco Club: -

Eco club is established in to motivate and stimulate our young minds. Everyone knows the importance of Environmental protection and improvement. The “Prashant Bhoomi” Eco Club of Bal Bharati Public School, Solan has been actively working towards promoting environmental awareness and sustainable practices among students and the school community. Under the guidance of dedicated teachers and enthusiastic student members, the club has undertaken several initiatives during the academic year 2023 to create a greener and more environmentally conscious school environment.

Eco Club Members: -

Sr. No.	Name	Designation	Signature
1.	Mr. Vikas Kumar	Presiding Officer	
2.	Ms. Deepali	Member	
3.	Ms. Kanak	Member	
4.	Ridhima	Student Member	
5.	Shivam Vashisht	Student Member	

Objectives: -

- To create awareness and impart knowledge of biodiversity conservation and local environmental issues among students.
- To create a 'clean and green consciousness' among students through various innovative methods.
- To develop skills of observation, experimentation, survey, recording, analysis, reasoning needed for conserving environment through activities.
- To make aware of proper attitudes towards environment and its conservation through action-based programmes.
- To realise the issues related to environment through field visits.
- To promote logical and independent thinking this will increase the spirit of scientific inquiry.

Future Plans:

Looking ahead, the Eco Club aims to expand its activities and involve more students and staff members in creating a sustainable school environment. Some of the future plans include:

1. Organizing a community clean-up drive in the local neighbourhood.
2. Establishing a school garden to promote organic gardening and food production.

3. Conducting workshops on sustainable living practices, such as composting and upcycling.
4. Meetings and Environment Awareness Session to be organised once every month.

Conclusion:

The “Prashant Bhoomi” Eco Club of Bal Bharati Public School, Solan has made commendable efforts in promoting environmental awareness and sustainable practices within the school community. Through various initiatives, the club has successfully engaged students in hands-on activities that foster a sense of responsibility towards the environment. The club's endeavors align with the school's vision of creating environmentally conscious individuals who will contribute to a greener and more sustainable future. We express our gratitude to the dedicated teachers, club members, and supporting staff who have been instrumental in making the Eco Club a success. Their commitment and enthusiasm have inspired positive change and encouraged a sense of environmental stewardship among the students.

We look forward to the continued growth and success of the Eco Club in the coming years.
